Re: Suspension of the Graduate School Student Loan program

The CNMI Scholarship Office Board of Directors would like to inform the public that we met on October 12, 2023, to discuss the current FY 24 budget for the CNMI Scholarship Office. Due to budgetary constraints, the Board has decided to suspend the Graduate School Student Loan (GSSL) program effective immediately until further notice. The Graduate School Student Loan is based on the availability of funds, and with the current financial state of the CNMI, we are unable to provide financial assistance to GSSL applicants at this time.

We apologize for the inconvenience this may have caused and are saddened that we will not be able to provide the assistance to those pursuing their Masters and Post-Graduate degrees. However, once the funding is available, the suspension will be lifted.

Your understanding in this matter is greatly appreciated! Should you need more information, you may contact the CNMI Scholarship Office at (670) 664-4750 or email awards@cnmischolarship.net.
